

Website Privacy Policy

RealistiQ (Premier Technology Services), INC. ("REALISTIQ") respects your personal privacy and is committed to adhering to federal and state privacy laws and industry guidelines for using personal information collected from this web site in order to protect you and your identity. This privacy policy describes how we handle the personal information that you provide to us on this web site and is collected by us from this website. This policy applies only to this website, but not to any other third party web sites that may be accessible from here.

After reading this Privacy Policy, which is incorporated into and is a part of this Website's Terms and Conditions, you will know:

1. What information REALISTIQ collects from you;
2. How REALISTIQ uses your information;
3. What choices you have about how REALISTIQ treats your information;
4. How REALISTIQ protects your privacy;
5. How you can contact REALISTIQ .

Please be sure to read this Privacy Policy before using this Website or submitting information to us through this Website.

Our privacy policies may change from time to time and your continued use of this Website is acceptance of such changes,so please check this area periodically for updates to this Policy.

1) Active information collection

Like many other websites, we actively collect information from our visitors both by asking specific questions, by sending e-flyers and other marketing collateral, and by permitting you to communicate directly with us via e-mail.

Some of the information that you submit through this Website may be personally identifiable (that is, information that can be uniquely identified with you, such as your name, address, e-mail address, phone number, etc.).

2) Passive information collection

As you navigate through a website, certain information can be passively collected from the website (that is, gathered without you actively providing the information) using various technologies and means, such as navigational data collection. Like most website operators, REALISTIQ tracks IP addresses, use both session and persistent cookies, and assigns Internet tags. Our system also automatically gathers information about the areas you visit on this Website and collects operational information about the technology you use, such as your browser, type of computer, operating systems, and Internet service providers. We passively

collect information from this Website to understand what areas of this Website are most popular, which areas may require improvement, and what technologies are being used by our visitors. This information helps us to update and improve this Website. We also use this information for security purposes, to detect and to block security breaches and to provide you with a safe online environment.

3) How REALISTIQ uses your information

REALISTIQ uses your personal information that is collected from this Website to enhance the operation of this Website and allow you to use all of its features. REALISTIQ may contact you about new features or services in which it believes you may be interested. REALISTIQ may disclose your personal information to the reputable vendors that assist us in processing information or operating this Website. These vendors are restricted from using the information for any purpose other than helping us to provide products and services. REALISTIQ may provide aggregate statistics about our customers, sales, online traffic patterns and related information to reputable third parties, but these statistics will not include any personally identifying information. REALISTIQ also will disclose any information that it is required to disclose by law or by an appropriate government authority.
